

YOU FOCUS ON YOUR PATIENTS' HEALTH.

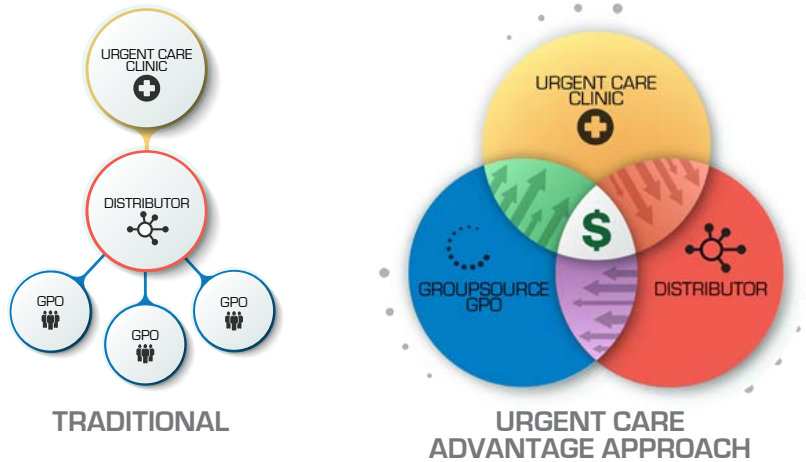

WE'LL FOCUS ON YOUR BUSINESS HEALTH.

A TRUE COLLABORATIVE APPROACH CREATING A CUSTOMIZED SOLUTION.

Your GPO partner should be an integral part of your value analysis team. Through the marriage of effective collaboration and actionable analytics, your Urgent Care Center can determine a tangible ROI, then track progress toward that milestone every step of the way with the GroupSource Urgent Care Advantage Program.

Linear vs. Collaborative Approach

PURCHASING POWER

15-25% SAVINGS

ACTIONABLE ANALYTICS

ACCESS ACUTE CARE CONTRACTS.

The GroupSource Urgent Care Advantage Program delivers acute-care equivalent solutions to the urgent care market. By combining a robust product portfolio of over 40 contract spend categories with a dedicated Cost Study and Implementation team, the Urgent Care Advantage Program ensures your facility will be accessing significant discounts on the products you use every day.

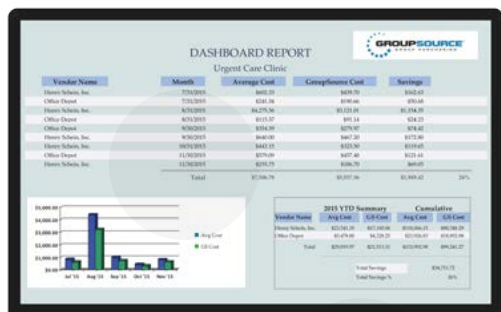

COST ANALYSIS
Item level, no substitutions, analysis of supplies and support spend

MANUFACTURER & DISTRIBUTOR CONTRACT IMPLEMENTATION
Implementation at the site level including contract tiers and distributor mark-ups

ANALYTICS & STANDARDIZATION
Ongoing documentation of savings and identification of incremental savings opportunities.

URGENT CARE ADVANTAGE PROGRAM

ACTIONABLE ANALYTICS ENABLE PROFITABLE ACTION.

In addition to baseline savings, the GroupSource Urgent Care Advantage Program provides you a detailed ongoing analysis of contract penetration, product standardization, and discount tiers. This program ensures transparency and accountability enabling you to effectively manage results for profitable growth.

"With GroupSource handling the details of purchasing, we can focus on what we do best – patient care." – Scott White, C.O.O.
